(2002): Protected forest areas in Europe - analysis and harmonisation  
(PROFOR). Memorandum of Understanding, COST Action proposal.

Short reference: Sohlberg et al. (2002)

First author: Sohlberg Sune

Year: 2002

Abstract:  
(Draft)

Memorandum of Understanding for the implementation of a European Concerted  
Research Action designated as COST Action E

"Protected forest areas in Europe - analysis and harmonisation" (PROFOR)  
COST Action proposal

Persons that participated in the preparations of the proposed COST Action  
"Protected Forest Areas in Europe":

Sune Sohlberg

Swedish Environmental Protection Agency

Jari Parviainen

The Finnish Forest Research Institute Joensuu Research Station

Andreas Schuck

European Forest Institute

Winfried Buecking

Forest Research Institute of Baden-Wuerttemberg

Ed Mountford

2002

Tartalom

A. Background

1. Forest policy processes and networks

The Ministerial Conference on the Protection of Forest in Europe

Intergovernmental Forum on Forest (IFF)

Natura 2000

The UNEP-World Conservation Monitoring Centre

2. Initiatives for classification and research initiatives

International Union for the Conservation of Nature (IUCN)

Temperate and Boreal Forest Resources Assessment 2000

COST Action E4 "Forest Reserves Research Network"

B. Objectives and benefits

Dissemination

The benefits of the action

C. Scientific programmes

Scientific area 1. Description and analysis of protected forest areas - national dimension

Scientific area 2. Harmonisation and improvement of information on protected forest areas - international dimension

Scientific area 3. Protected forest area - clearing house mechanism

D. Organisation and timetable

Organisation

Short Term Scientific Missions (STSM)

Scientific Seminars

Timetable

E. Economic dimension

Costs

F. Dissemination of results

G. References and web links
