First author: Diaci, Jurij

Year: 1999

Abstract

Tartalma:

1. Introduction
 - 1.1 Historical perspectiva
 - 1.2 Ownership
 - 1.3 The purpose of forest reserves
 - 1.4 Research approaches
2. Applying research results into silviculture
 - 2.1 How does it work?
 - 2.2 What are the results?
 - 2.3 Some examples
3. Most important ongoing research institutions, research groups, projects
4. maintenance of forest reserves
5. references
